CBSE Board	

CAREER OBJECTIVE

Looking for a challenging and responsible opportunity. Want to explore a professional organization to meet employer expectations.

PROJECTS (ACADEMIC & PRACTICAL TRAINING)

1. Financial Accounting & Inventory Management (Tally)

- Created a mock company setup in Tally to manage daily business transactions.
- Handled Journal Entries, Ledger posting, and maintained Cash Book & Bank Book.
- Generated financial reports like Trial Balance and Balance Sheet.

2. Office Administration & Data Analysis (MS Excel & Word)

- MS Excel: Managed large datasets for student records/inventory; applied formulas (Sum, Average, VLOOKUP) to generate automated reports.
- MS Word: Designed professional letters, invoices, and forms using advanced formatting and Mail Merge.
